MANDATE

The State government agrees that Selgate Corporation be the leader in the field of medicine and healthcare thereby promoting Health Tourism. This includes the merger and acquisition of existing hospitals or medical centres, development of new hospitals, joint ventures or purchase of equity shares and other activities related to the possible generation of income.

GCEO's MESSAGE

As we celebrate a decade of trusted care since the inception of Selgate Corporation, I am filled with gratitude and pride in how far we have come together. This milestone is not just a testament to our growth as an organisation but also a tribute to the commitment, resilience, and shared vision of each individual who has contributed to our journey.

A decade ago, SELGATE set forth with a vision to redefine healthcare standards and accessibility in Selangor and beyond. Today, we are proud to have established a comprehensive healthcare ecosystem that spans hospitals, clinics, pharmacies, wellness programmes, and more. Through this integrated approach, we have made quality healthcare more accessible, sustainable, and impactful for the communities we serve.

To our partners, thank you for your continued support and collaboration. Together, we have created impactful initiatives and solutions that have set new benchmarks in healthcare delivery. Your trust in our vision and your contributions to our ecosystem have been integral to our shared values.

To our dedicated employees, you are the driving forces behind SELGATE's achievements. Your hard work, innovation, and commitment have brought our healthcare ecosystem to life, ensuring we deliver not only services but also healing to countless individuals and families. Your role in shaping SELGATE's legacy is immeasurable, and I am deeply honoured to stand alongside such an exceptional team.

As we embark on the next chapter, let us continue to innovate, inspire, and make a meaningful difference in the lives of those we serve. Together, let's build on our legacy and continue to set new benchmarks in healthcare and community service. We will continue to innovate, collaborate, and expand our reach to touch even more lives, upholding the values and vision that have guided us since day one.

Here's to the future of Selgate Corporation and to many more years of shared success.

With heartfelt gratitude,

Dato' Noor Hisham Mohd Ghouth

Group Chief Executive Officer

SELGATE

“ Celebrating 10 years of Selgate — a story of growth, resilience, and shared purpose, made possible by the dedication of our people and the trust of those we serve. ”

ABOUT US

Selgate Corporation (SELGATE) is a wholly owned subsidiary of Perbadanan Kemajuan Negeri Selangor (PKNS). With a strategic focus on driving economic growth and community well-being, SELGATE's business operations are structured into two primary divisions – Healthcare and Properties.

As a diversified conglomerate in the healthcare industry, SELGATE is persistently committed to redefining healthcare delivery and landscape in Malaysia. As a trusted provider, SELGATE continues to broaden its offerings to meet the evolving needs of the communities it serves, ensuring accessible, high-quality healthcare solutions that embody innovation, compassion and excellence.

Expanding its reach beyond traditional sectors, SELGATE has also ventured into financial technology (fintech) through its investment in SELANGKAH super-app. This comprehensive tool, initially designed to address societal needs during Covid-19 pandemic, has evolved into a versatile platform integrating commercial features to meet the dynamic demands of today's communities.

Selgate Healthcare, through its brand SELCARE, operates a diversified healthcare ecosystem, offering services through:

Selcare Clinic: Delivering comprehensive primary care services with a patient-centric approach.

Selcare Dental: Providing high-quality dental care and oral health services.

Selcare Diagnostics: Offering advanced diagnostic services for accurate and timely medical assessments.

Selcare Pharmacy: Ensuring access to affordable and high-quality pharmaceutical, health and wellness products.

Selcare Sakinah: Providing specialised care and educational programmes for the elderly, fostering independence and improving their overall well-being.

Selcare Nursing: Delivering professional and compassionate home-based nursing care.

Selcare Ambulance: Offering prompt and reliable emergency medical response services.

Selcare Management: Administering welfare programmes for State initiatives and corporate clients through Third-Party Administration (TPA) solutions.

SELGATE is committed to addressing the growing healthcare demands in Malaysia. In line with this vision, the corporation is spearheading two major hospital projects in 2025: Selgate Specialist Hospital Rawang and Selgate Specialist Hospital Sepang.

At the heart of SELGATE's initiatives lies a dedication to community welfare. Through the Selangor state health programmes like the Selangor Saring free health screening initiative and other corporate social responsibility efforts led by Yayasan Selgate, SELGATE consistently demonstrates its commitment to improving public health.

Selgate Corporation continues to set benchmarks in the Malaysian healthcare landscape, driven by a mission to deliver exceptional care and foster healthier communities. With upcoming projects like Selgate Specialist Hospital Rawang and Selgate Specialist Hospital Sepang, SELGATE is poised to elevate healthcare standards, ensuring a brighter, healthier future for all.

STATE PROGRAMMES

- ABOUT US
- MILESTONE
- INITIATIVES

ABOUT US

Through Selcare Management, the State Programme unit is dedicated to implementing impactful State's welfare and public health programmes across Malaysia – particularly in Selangor. We bridge government policy with execution, ensuring that aid, healthcare and social support reach those who need it most.

Our portfolio includes Itizam Selangor Sihat (ISS), Skim Rawatan Jantung Negeri Selangor, BINGKAS, and Selangor Saring – each addressing critical aspects of healthcare access, financial aid, and preventive care.

Through a network of clinics, hospitals, community partners and digital platforms, we have touched the lives of more than 500,000 beneficiaries, and continue to grow. Our team is driven by a mission to make public welfare accessible, equitable and effective.

We believe in service with compassion, and remain committed to building a healthier, more resilient society – one programme at a time.
